

Jungle Leaf Canopy

- 1"x2"x8' furring strip
- green bulletin board paper (green on both sides)
- yellow paper
- light green paper
- pink paper
- Jungle Bird*
- Tissue Paper Vines*
- scissors
- stapler
- leaf patterns (download from group.com/vbsTools)

Cut hundreds of leaves out of different colors of paper. For every dangling vine, you will need 10 leaves. Staple leaves to the vine in groups. Loop the end of the vine over the furring strip.
